## increasing youth opportunity

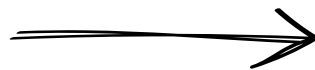

Meet the Colóns: a hardworking local family rooted in our community. Mom works at Hamilton Medical Center, Dad owns C&T Services, and like so many parents, they want the very best for their children. When they found the Whitfield County Dalton Daycare Center, they did not just find childcare; they found a nurturing environment that gave their children the foundation to thrive.

Their daughter entered the center's 3-year-old program and excelled, preparing her for pre-K and kindergarten with confidence. Later, their son, who struggled with speech delays, made remarkable progress thanks to the nurturing care of dedicated teachers who helped him find his voice and confidence.

### This is the power of investing in early education.

We give children the skills and support they need to succeed, no matter their starting point. United Way is dedicated to preparing our youngest learners for the future because when children thrive, our whole community benefits. Give today, and help more families like the Colóns build a brighter future.

WHEN YOU GIVE  
**\$1,000 a year**

**you provide one month of quality early
